The Bowling Green is currently undergoing some major work. Originally a Coaching Inn, with a Blacksmith outside, it would have been the centre of village life and is one of the oldest Inns in Lancashire.

Here are a couple of pictures of it in the past; outside around 1900 and the interior from the 1950's

## FROM THE EDITOR

Hi Everyone,

As I write this I am getting ready for my annual holiday in Cala Santanyi. I hope you all have a lovely summer and hope the sun makes some appearances!

Family life is as busy as ever and we have now acquired some chickens! I'm still a little unsure about my new feathery friends! Paul and Roxanne think they are wonderful especially when they are chasing after me round the garden! Apparently, they are just being friendly as Paul reliably informs me but I'm still doubtful!

In July, it was time for me to say goodbye to some wonderful Pre-School children and their families. Many of these children and families have been with Pre-School for many years and it was sad to say goodbye to them. The families have been exceptionally supportive of the Pre-School and I really will miss them all.

I would also like to say thanks again to all the local businesses including the Hinds Head, Bevonair and Pole Green Nurseries that have donated raffle prizes to Pre-School this year, your support is really appreciated and helps to boost funds for new resources as Pre-School is a registered charity and operates not for profit.

Once again, thank you to everyone who has sent in articles and letters. If you have an article, letter or advert that you would like me to include in the next chronicle please e-mail [CharnockRichardChronicle@gmail.com](mailto:CharnockRichardChronicle@gmail.com) by 20th September.

Please remember when providing dates for future events, that the Chronicle needs to be edited, printed and then distributed, so please allow for this as often people receive the Chronicle after events have taken place. One suggestion is to use the Chronicle to report on things that have happened and publicise events at least two or three months in advance.

If there is anything you would like to see in the Chronicle then let me know.

Until next time

Gillian Leadbetter

## FROM FATHER ANDREW

My dear friends

Last month our Associate Priest, The Revd. Angela, wrote about her calling to full time ministry and her appointment as a Team Vicar in the Manchester Diocese. This is a period of immense change for The Revd. Angela as she resigns from her long standing job with the NHS at Preston Hospital, she prepares to move from a family home to a house which is a public facility - a vicarage - and also adapts from part time ministry in a very controlled environment to something which will probably occupy more hours than she can ever imagine at the moment. So we wish her well and offer our prayers for her last service at Charnock Richard on Sunday 18 September.

Whatever clergy do, it is never about an individual human being and that means The Revd. Angela's departure will have a much wider impact with consequences for the parishes of Charnock Richard and Eccleston. Of course, there is an opportunity when circumstances change to review what and how we do things, and it is possible to end up with something more suited to our needs. At the moment we are considering how the four services across the two parishes can be resourced with me as the only available priest. This is not an interregnum for either parish with the result the Archdeacon has been quite clear retired clergy cannot be used to cover services because it necessary to have an active priest present at each Sunday service: at the moment that means me.

Therefore, the church wardens from Eccleston and Charnock Richard met with The Ven. Mark Ireland, Archdeacon on Blackburn to discuss how the service pattern may have to change to meet the new situation. Currently, at Charnock Richard there is a 09:00 Said Eucharist and a 10:30 Parish Eucharist; this pattern is replicated at Eccleston at 08:00 and 10:00. Therefore, the Archdeacon suggested one of the parishes should drop a service to make the travelling viable. The early service in both parishes have a roughly similar congregation in terms of numbers but Eccleston is more than twice the size as is the financial contribution to the Diocese and Eccleston pays 75 per cent of the clergy costs for the two parishes.

The first Sunday that the services have to be covered by only one priest will be 25 September, therefore a revised service pattern will have to be in place from that date.

Your PCC will soon be considering what needs to be done and will have to do this against the background that any change in either parish will not be convenient for everyone. However, there are very few realistic and practical alternatives. There is one very important point of which we should be mindful: any reduction in regular attendance will jeopardise our viability in the future. Any service will come under scrutiny if number are not sustained and consistent in the medium term.

As many people begin their summer holidays, I hope you have a good, refreshing and relaxing break. In September we will be facing some serious issues about our future: please pray for the two parishes and please consider how your personal pattern of attendance will affect the future stability.

Every blessing

Fr. Andrew.

## THE MISSION STATEMENT OF THE PAROCHIAL CHURCH COUNCIL

“In the power of the Holy Spirit, and strengthened by daily prayer and bible study, we will be faithful communicants and by active witness, fellowship and service in the community, we will strive to help forward the Kingdom of God”

## THE POWER OF PRAYER

We are often asked to include in our prayers people who are anxious and awaiting tests, people who are about to have surgery, and people who have been diagnosed with life-threatening illnesses. One or two of us thought it might be helpful to tell you about some of those for whom our prayers have been asked so that we might know a little more about them.

If you would like us to include an update on the progress some of these have made, so that it can be shared, please contact Margaret Stewart

## THE DISTRIBUTION OF HOLY COMMUNION TO THE SICK AND HOUSEBOUND AT HOME

The Bishop has granted permission to five people in our Parish to distribute Holy Communion in Church, in the Chapel and in the home.

If you know of someone, who would like to receive Holy Communion at home, please contact either Margaret Stewart (01257 792692) or Jean Heaps (01257 793034).

## KERBS

The kerbs around the gravestones, in the Churchyard, make the maintenance of the Churchyard so much harder and so much more time-consuming. Mowers and strimmers cannot operate between the kerbs. We feel the Churchyard looks much more well-kept when the kerbs are removed.

If you have a grave with kerbs in the Churchyard please consider asking us to remove them. If enough people agreed to this we could raise up the low areas with soil to create a beautiful well-kept lawned Churchyard.

Please consider our request. We would also like to remind everyone that the use of weed killer in the Churchyard is forbidden. Thank you.

## VICARAGE

As the vicarage is let out to private tenants please ensure all correspondence intended for the Vicar, Churchwardens, or Parochial Church Council is left at the Church, or given to the Churchwardens, or any member of the Parochial Church Council.

## CHURCHYARD MONUMENTS

It is the responsibility of the Parochial Church Council to maintain a safe graveyard. Over the years, sometimes not so many years, monuments become loose. It is the responsibility of families to ensure that their monument is safe and secure. We urge you to check your monument and if there is any movement please instruct someone to make it safe.

The Parochial Church Council decided that if any are found unsafe steps will have to be taken to lay them flat. We do not want to have to do this, but safety in the graveyard is of paramount importance and we will have to do what is necessary.

## THE BOOK OF REMEMBRANCE

Please take a look at the Book of Remembrance which can be found at the front of the Church. If any of you would like the names of your loved ones recorded in this book, then please give their names and date of death in writing to the Wardens.

Angela's last service with us is on 18<sup>th</sup> September 2016. We do hope many of you will join us to wish her farewell. This new appointment is the start of the next part of life's journey for both Angela and Peter as they leave their home in Freemans Lane for completely new pastures.

## **THE END OF AN ERA**

The end of July marks the end of an era for the Heaton family. Thomas will be able to throw away his alarm clock, enjoy a little bit longer in bed and eat a leisurely breakfast with Julie, something he has been unable to do apart from at holiday times.

The Heaton family has delivered milk to our family for 53 years. When our family moved to Charnock Richard in 1963 to the Bungalow Café on Preston Road our milk was delivered in metal milk churns. The milk was then transferred into stainless steel buckets. Thomas remembers delivering the milk as a little boy and struggling with the milk churns.

The Bungalow Café was very busy in those days, open 7 days each week, open from 6am until 7pm. The café was used by HGV drivers, workmen from the Electricity Board, contractors and Sales representatives. Our family also provided accommodation for HGV drivers, many from Scotland, and contractors, some of whom worked on the new motorway service station, before the M6 motorway opened. We also accommodated 2 or 3 local individuals, one arriving when his wife evicted him from their home! She did actually turn up to see him a few months later, to take him home again!

Retirement will be a big change for Thomas. We would like to thank him for his wonderful Service over the years, delivering our milk whatever the weather. We wish Thomas and Julie a long and happy retirement, perhaps they will be able to spend a bit more time at the gym... this was Thomas's suggestion!

It was an excellent concert and all the proceeds were given to Charnock Richard Community Centre Trust. I would like to thank Gayle and all the members of the Band for playing their part in our fundraising.

I would like to thank Lee Swales for repairing a gate and gate-post, and replacing another gate-post, on the railings on the Church Lane side of the Old School. We are also greatly indebted to Paul Carter and his helpers for rubbing down and painting all the railings. This is an arduous task, but the end result looks really good. Thank you all so much.

Over the school holidays, we have authorised work to be undertaken on the chimneys and parts of the roof of the Old School and Old School House. In the autumn, we intend to replace the large windows at each end of the main hall.

On behalf of all our trustees, I would like to thank everyone who is supporting us, we really do appreciate your help. I am sure your on-going support will make a real difference when we make our grant applications. If anyone else could undertake any fundraising activity on our behalf, we will be extremely grateful.

## CHARNOCK RICHARD WOMENS GROUP

June's meeting was again a scorcher as we packed into a minibus to Preston's Charter Theatre. We were surprised to find that the audience was almost all women as the content of the play explored the relationships which can develop amongst a group of women with a similar interest and how those relationships change when challenged by the difficulties we all can face from time to time. The play was set in a pole dance class and explored how the group developed to support one of their number when they developed breast cancer. We all enjoyed the performance and found it to be quite funny.

July's gathering was changed at the last minute as we were let down by the speaker. Linda was quiz master for our version of Family fortunes. A very enjoyable evening even though it was unexpected.

Hope to see you all in August,

Lynda

## Year 6 – our last year at school

Year 6 are saying goodbye to Christ Church Charnock Richard CofE Primary School with mixed emotions; sad to leave but excited about the next chapter on their learning journey.

While working hard in preparation for their SATs, the children have had an extremely busy year, culminating in their end of year trip to Patterdale.

Children, and staff, enjoyed taking part in a variety of activities, including climbing, kayaking, gorge walking, orienteering and team building activities. The children relished a 5 mile walk along Ullswater followed by canoeing back to Patterdale, where they enjoyed a well-deserved ice-cream.

Now on to their next adventure ..... everyone wishes them good luck.

# CHARNOCK RICHARD SCOUT GROUP

## Group Scout Leaders Update

Your scout group has had a fantastic year with each section continuing to grow in numbers through the year and now there are more young people involved in Scouting in the village than ever before.

Below you will find a short summary from each of the sections of all the exciting activities that the Young People have been involved in.

In addition to the individual section activities we joined together as group for fantastic Christmas camp last December (stopping in the lodges at Waddecar - near beacon Fell). The Young people really loved getting involved lots of activities and crafts (the changeable weather just made everything more exciting) and included a "Charnock's got talent" event on the Saturday evening. Costs of the camp were assisted by fund raising at Bonfire where the group sold hotdogs, coffee, tea etc. Thank you to everyone for supporting this event.

The group attended the St Georges Day parade on Astley Park along with the rest of Chorley District scouts. A good time was had, despite it probably being the wettest St Georges day parade I can remember.

Recently we had a great evening at the Scout HQ on Charter Lane where the Young People and their families were all invited for a BBQ (this time the rain stayed away!)

A brief note about future events: As part of the Scarecrow Festival, the group will be selling refreshments on Sunday 11<sup>th</sup> September. We plan to use these funds as a contribution to a Group Camp we will be holding at Waddecar on 23<sup>rd</sup> to 25<sup>th</sup> September for all the sections to attend.

Of course none of this would be possible without the support of a fantastic team of volunteers who make all this possible. **So a BIG THANK YOU to ALL the Section Leaders, Assistant Section Leaders, Section Assistants, Occasional Helpers, Young Leaders and supporters for your help over the last year.**

On this subject, earlier this year I was particularly pleased to learn that Darrell (our scout Leader) had been awarded the **Chief Scouts Commendation for Good Service**, which is regarded as the Chief Scout's recognition of the very real contribution made to the Association by the individual concerned. Many congratulations to Darrell for this well deserved award.

## Beavers (Age 6 to 8 Years old)

2016 saw the 30th Birthday of Beavers and we joined in (see photo) with over 150 Beavers from the Chorley District at Bibby's Farm for a muddy day of activities, party cake and our favourite s'mores.

Over the year we have met our goal of 3 Challenge Award badges (My Skills, World and Outdoors) and add to that many more Activity badges including a Space one – doing lots of Tim Peake themed activities!

Recently we went to the local Jubilee Woodlands earning a Hikes Away and Explore badge. From September we will welcome even more new Beavers to our group (over 20 in total). Long may the fun, mud and adventures continue!

## Cubs (Age 8 to 10 1/2 years old)

2016 marks the 100th anniversary of the Cub Scout movement (originally called Wolf cubs). The section continues to go from strength to strength with numbers of Cub scouts at Charnock Richard reaching 23 Young people,

Cubs have had a busy year and we have achieved the “Our World” and “Teamwork” Challenge Badges and well as numerous activity badges including First Aid, Disability Awareness, Home Help, and Home Safety badges.

The pack visited Tesco as part of its “Farm to Fork” Incentive getting a behind the scenes tour of the store and learning where food comes from and how it gets to the shelves.

As part of the learning about the community the pack visited the Alms houses in the village where Margaret gave a very interesting talk on its history.

In May the Cubs had a very exciting talk from the Police, who talked about Personal safety, the role of the police as well as a demonstration of the various pieces of kit the Police use. The cubs even got to sit in the police car (and switched on the blue lights and sound the siren – great fun).

The cub pack visited Waddecar camp site (on a County adventure day) and the Rock and River activity Centre where everyone had a great time participating in lots of activities including archery, shooting, canoeing, climbing and “High Ropes activities” (crate stacking or balance beam).

## Scouts (Age 10 1/2 to 14 years old)

In June last year Scouts did a "wild camp " at Bowley Scout camp. During the camp they took part in backwoods cooking, axe throwing, and " I'm a Scout get me out of here " which included a "bush tucker trial" with real (safe to eat) bugs, and "stuff ".

Our troop won the best troop trophy, and the prize of a day out at Blackpool water centre, and a trip to the panto, followed of course by a chippy supper.

This year saw the scouts take part in a very wet St Georges day parade.

The scouts have completed their Chefs Badge, (no mean feat with only one burner to a team, and having to produce two dishes). They have also completed the Creative, and team challenges which is two challenges on the way to Chief Scouts Gold Award.

One of our scouts, Tom, achieved his Chief Scouts Gold award and, whilst he has now moved on from the Scout section, he returned to help us a Young Leader.

We do have room for any young person (Male or Female) to join us. We meet on Mondays, 7.15-8.45, at the Scout hut on Charter Lane, Charnock Richard.

## Could YOU be part of this adventure?

Everyone has skills that can contribute to the Group, whether that be inspiring young people, or helping at events and camps, or with the administration and running of a section or group.

Your involvement can be as much or as little as you want, whether it is every week, or once a month or just at camps/activities your help and support will be valued and appreciated (and for a number of roles there is no requirement to be in uniform if you don't want to)

If you can only commit to help for the next year or so (maybe you are going to college etc) then you can still volunteer and we will be happy for your support when you can give.

Our approach focuses on what you want to get out of volunteering with Scouts, while respecting how much time you can offer. Over 90% of Scout volunteers say that their skills and experiences have been useful in their work or personal life (and volunteering looks great on your CV).

If you want to discuss further contact me (contact details are on the contact section of the Chronicle), I look forward to hearing from you soon....

Kerry

# SCARECROW FESTIVAL

**Saturday and Sunday  
10 and 11 September 2016**

The Scarecrow Festival, this year, will take place on the weekend of 10 and 11 September and once again provides an opportunity for local groups to raise much needed funds.

Once again free parking is available on the field opposite the Church and

we thank Ray Witts for this, on this same field during the weekend the vintage vehicle display will also be there for all to see.

There will be things to do and refreshments available throughout the village

- Church – refreshments in the Church including cakes and Organ recitals throughout the weekend
- Pre-School – Lower Burgh Meadow Conservation Group will have Bee friendly plants for sale and will have fun games to take part in, Pre-School will have cakes for sale
- School – Barbeque, drinks, bring and buy stalls, cakes
- Scout Hut – drinks and cakes
- School Field – fairground rides
- Football Club will be open during the weekend for refreshments and might have cakes
- Cakes will be available

All I ask is that, once again in this 10<sup>th</sup> year for the Scarecrow Festival, you get creative and make a Scarecrow display.

If you want to make a display but have nowhere to put it, or want to display a Scarecrow but cannot make one please let me know and something will be arranged.

If you can offer some help over the weekend, or in advance, then please let me know, we need a committee to help arrange things and our numbers are dwindling.

For more details, or if you can offer to help, contact:

Telephone 07926 089450 e-mail [paul.leadbetter@chorley.gov.uk](mailto:paul.leadbetter@chorley.gov.uk)

As Gill mentioned in her introduction we are getting ready for a break in the sunshine (hopefully), when we return I will catch up on what I can but expect the Taylor Wimpey, Charter Lane, planning application will be scheduled for a Development Control Committee and the Story Homes proposals for Camelot may be better defined.

## Taylor Wimpey – Charter Lane

The planning application 16/00510/OUTMAJ is now available to read online [www.chorley.gov.uk/planning](http://www.chorley.gov.uk/planning) and many people have made comments.

Comments can be made up to the day before it is presented to the Development Control Committee which I think will be on 13 September.

Please take some time to comment on the application, it isn't, as many think, a done-deal; our comments are taken into consideration.

This is a site that is not in the Chorley Local Plan, is not a small scale development and is certainly not infill and it does not, in my opinion, meet a local need. I will be registering to speak at the Development Control Committee when the decision is to be made.

## Chorley and South Ribble A&E

On 18 April Chorley A&E was downgraded to an urgent care facility which is available from 8am to 8pm daily. The reason for the closure was due to a shortage of middle grade doctors and the inability, of the Lancashire Teaching Hospitals NHS Foundation Trust, to staff the rotas resulting in an unacceptable risk to patient safety.

It was suggested that the A&E would be reinstated in August however a statement, made on 3 August, stated that the urgent care facility would continue to April 2017 meaning that the A&E will not be reopening until then at the earliest.

Some faith had been put in the members of the Hospital Trust that they would manage to employ the doctors needed but it appears they cannot.

I have written to Jeremy Hunt MP, the Secretary of State for Health, asking that he intervene and provide help to the Trust as the members of the trust are struggling to attract the talent needed to run their hospital. Whilst this is a NHS Trust management problem, I believe the Secretary of State has some responsibility, and certainly the authority, to step in on behalf of the people of Chorley and Lancashire, I await a response and hope something can be done.

If there is anything I can help you with then, as ever, please remember, you can call me anytime 07926 089450, or 01257 795152 or e-mail [paul.leadbetter@chorley.gov.uk](mailto:paul.leadbetter@chorley.gov.uk)

## KEVIN HUTCHINSON – GREAT MANCHESTER SWIM

Congratulations go to Kevin Hutchinson who, in bib number 3881, took part in and completed the Great Manchester Swim.

On 2 July Kevin joined around 2,000 swimmers, of all ages and abilities, and took on the Great Manchester Swim - a one-mile, dock-to-dock, open water swimming challenge - at MediaCityUK in Salford.

The Great Manchester Swim is part of Great Swim which is the biggest open water swimming series in Europe, in which around 20,000 swimmers will compete in five events around the UK this year.

Kevin finished 1,112th, about half way on the leader board, in a time of 44 minutes and 04 seconds and kindly donated £70 of his sponsor money to Pre-School.

Kevin's Finish Certificate – The picture is not of Kevin!
